

Flightless Bird

Flightless bird I wish you wings
Sleepless love I wish you dreams
Cause none of us, none of us
No none of us, none of us is home
I'll hold your hand if you could fall
I'm standing strong if you feel small
Cause none of us, no none of us is home

And I, I
Count in
1 - 2 - 3 - 4, 1 - 2 - 3 - 4
1 - 2 - 3 - 4
That's my heartbeat beating for you

I'd stay awake to hold the calm
I'd give my clothes to keep you warm

Cause none of us, no none us is home

And I, I
count in
1 - 2 - 3 - 4, 1 - 2 - 3 - 4
1 - 2 - 3 - 4
That's my heartbeat beating

for you,
for you
you
for you,
for you
you

And I, I
count in
1 - 2 - 3 - 4, 1 - 2 - 3 - 4
1 - 2 - 3 - 4
That's my heartbeat beating
